INSIDE: The Ghastly Crimes Of The World-Napper!
LONDON EDITIONS MAGAZINES

Dear SCROLLOS

Dear Scrollos,
How did Skeletor get an army of Mutants so quickly?
PAUL HUNTING, Eltham
Good question, Paul! You see, Skeletor is so **unbelievably evil** that his reputation as the **nastiest being ever created** is known throughout the universe. Before setting off to the **Trinx Star System** where all our action now takes place, Skeletor contacted **Brakk** and it was he who banded together the **unwholesome grizzlies** for Skeletor's personal use!

Dear Scrollos,
In the comic Brakk has a spear but, as a toy he has a whip.
JANNAT NOLAN, Chelt
Yes, and do you want to know something else, Jannat, he has **many other weapons** besides! As the 'brains' behind much of the Mutants' activities Brakk has access to all their weapons. These include **clubs, lasers** and **sonic deafening devices!**

Dear Scrollos,
I am your greatest fan. Are Kalesham's metal arms part of his body?
DENNIS CROKE, Macclesfield
Great to hear from you, Dennis! Yes, Kalesham's arms are part of his body. He is what is known as a **cyborg**—that is, part **creature**/part **machine**. It is a long story as to how Kalesham got the metal parts welded onto his body and one which we will most probably feature in a future issue of ADVENTURE!

Dear Scrollos,
Is the 'new' Skeletor stronger than the 'old' one?
KENNY LANGLEY, Netherton
Thanks for writing, Kenny! Whereas I think it would be true to say that Skeletor is not physically any stronger now than before, he is certainly more **bossy** and **big-headed!**

Dear Scrollos,
Who are the leaders of good and evil on Eternia now He-Man has left?
CRAIGAR EDWARDS, Monkton
The new leaders are Man-At-Arms and Hordak, Craigar!

Dear Scrollos,
How many warriors has the new He-Man got?
DAVID McILROY, Newtown Abbey
At the moment, David, He-Man has **six** warriors working for him! These are **Darius** the weapon master, **Icarius** the pilot, **Nocturna** the master of martial arts, **Tetarus** the strongman, **Vizar** the spy and **Hydron** the underwater action man!

Dear Scrollos,
When Adam changed into He-Man, Skeletor was with him. Does this mean that Skeletor knows He-Man's secret?
LACHLAN McCALL, St Albans
I suppose he does, Lachlan, although this is not important now! Adam realised that in order to be able to fight off the **forces of evil** better, he ought to retain his **mighty** form rather than hide behind the disguise of a coward. I think he made the **right** decision, don't you?!

Dear Scrollos,
What is your new form like and are you still on Eternia?
BEN SMITH, Barnsley
Well, for a start, Ben, I never was **on** Eternia, rather **above** it in my **floating space station!** My space vehicle is now positioned somewhere [for **security reasons** I can't tell you exactly where] in the Trinx Star System. It is from here that I beam down the stories and pictures to **London Editions** who then bring you this comic. He-Man and Skeletor's forms may have changed but Scrollos is still the same... it's nice to know that some things are reliable, isn't it?!

Dear Scrollos,
I think that the adventures of the new He-Man should be allowed to go on much, much longer than the old He-Man's. I think issue 20 was terrific!
GARY BIGGS, Enfield
Well, Gary, thanks very much for the compliment and the encouragement! I only hope you're right and that we see these **riveting adventures** for many months to come!

HE-MAN
THE WORLD-NAPPER!
I LEFT AS SOON AS I RECEIVED YOUR MESSAGE! YOU SAID MILLIONS OF ROBOT-CONTROLLED OBJECTS ARE HEADING FOR PRIMUS! IS IT SERIOUS?
WE MUST REMAIN ON FULL ALERT IN CASE THEY BREAK PAST THE SHIELDS!
MAYBE... BUT WE MUST PREPARE FOR THE WORST. I HAVE ACTIVATED PLANETARY SHIELDS!
WITH EACH PASSING SECOND THE STRANGE ORANGE AND BLUE OBJECTS MOVE CLOSER TO PRIMUS...
AS IF GUIDED BY AN UNSEEN HAND, THE OBJECTS ALTER THEIR COURSE SLIGHTLY AS THEY DRIFT DOWN TO THE PLANET BELOW...

THEY'RE PASSING THROUGH OUR OUTER SHIELD! THEY MUST HAVE SHIELD-BUFFERS ON BOARD! LET'S TRY OUR SURFACE LASERS!
NOTHING! THE LASERS HAVEN'T EVEN SLOWED THEM DOWN!
THERE MUST BE SOMETHING WE CAN DO!
LET'S LAUNCH OUR SHIPS AND FIGHT THEM IN THE AIR!
NO! WE CAN USE THE MEGA-POWER SHIELD! SWITCH TO MAX POWER!
WE CAN'T! WE USED ALL OUR POWER UP ON THE OUTER SHIELD!
YOU'RE RIGHT! IT'S GONE!
MEANWHILE, THE UNWELCOME VISITORS HAVE MADE PLANETFALL...
THEY LAND IN THE UNPOPULATED AREAS OF THE PLANET...

...WHERE COLD, STEELY TENTACLES CREEP OUT...
...TO CLAW ACROSS THE SURFACE, DIGGING THEIR BODIES DEEP INTO THE GROUND...
...UNTIL MERE MINUTES LATER THEY LAY SILENT AND UNMOVING, AWAITING FRESH INSTRUCTIONS...
AT THAT VERY MOMENT, A SURPRISED SKELETOR RECEIVES NEWS OF THE ROBOT INVASION... AN INVASION OF WHICH HE IS COMPLETELY UNAWARE!
PRIMUS IS BEING ATTACKED BY AN ALIEN POWER!
ATTACKED?
WHO DARES?! PRIMUS BELONGS TO ME!
SUDDENLY, A STRANGE VOICE IS HEARD..
THERE IS NOW A POWER IN THE UNIVERSE THAT EVEN SKELETOR MUST BOW TO...
WE ARE THE RAM, A NEW KIND OF INTELLIGENCE CREATED BY SUPER-COMPUTERS. WE INTEND TO TAKE CONTROL OF PRIMUS BECAUSE OF THE GREAT KNOWLEDGE THERE! SOON THAT KNOWLEDGE WILL BE OURS!

THIS IS OUR MIGHTY SPACE VEHICLE, THE RAMSCO, FROM WHICH WE SENT THE ENERGY SATELLITES TO PRIMUS!
OUR ROBOT SATELLITES ARE NOW LOCKED TO THE PLANET'S CORE, WHICH WILL ALLOW US TO DRAG THE ENTIRE WORLD TO OUR GALAXY!
NOT BAD... BUT I'VE HEARD BETTER!
IF I DO LOSE PRIMUS, AND WITH IT, HE-MAN, THE REST OF THE TRIAX STAR SYSTEM WILL BE MINE!
MEANWHILE, HE-MAN, TETARUS AND HYDRON TRY DESPERATELY TO FIND AT LEAST ONE OF THE STRANGE DEVICES...
OUR SCANNERS SHOWED THAT ONE CAME DOWN NEAR HERE!
IF IT'S IN MY KINGDOM OF WATER, HE-MAN, THEN I SHALL FIND IT!
GOOD LUCK! AS YOU SEARCH HERE, WE'LL LOOK IN THE NORTH DESERT FOR ANOTHER ONE!
SEE YOU IN GALACTIC CITY!
WITH A FLIP OF HIS LEGS, HYDRON DIVES INTO HIS BELOVED WATER...
POP

He dives ever deeper with powerful leg-kicks...
...Until he soon reaches the bottom of the ocean...
Once under the water, Hydron can feel a strange electrical energy source! He follows the weak signal until it leads him to an eerie clearing where he sees...
GASP! There they are and they seem to be strangely anchored to the ground!
AGGHHH!
Hydron moves closer to one of the satellites... and is suddenly bathed in a painful energy field...

JUST THEN, TOTARUS, VIZAR AND NOCTURNA REACH THE NORTH DESERT ON THEIR RAPID BOLO JETS...
DOWN THERE! I THINK WE HAVE FOUND THEM!
THE HEROES TURN THEIR BOLO JETS AND SPEED DOWNWARDS...
THEY HAVE FORMED A STRANGE KIND OF WEB... BUT WHY?
LET'S GO CLOSER AND SEE!
KEEP YOUR SENSES ALERT!
BY THE STARS!
UAGH!
BUT THE WARNING CAME TOO LATE, FOR AS THE TRIO OF HEROES BEGIN THEIR DESCENT, THEY ARE ALSO HIT BY A STRANGE ENERGY BEAM...
AGGHH!

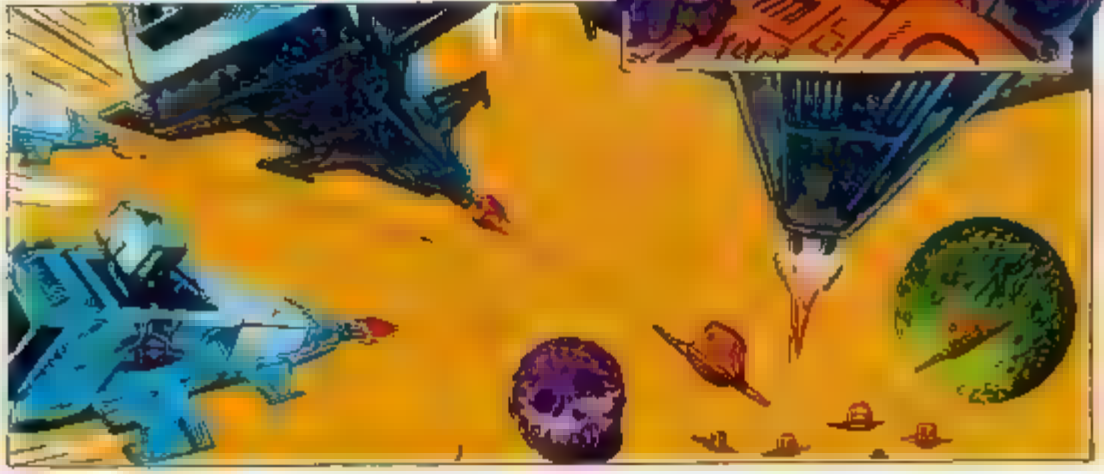
JUST THEN, IN GALACTIC CITY, THE VOICE OF RAM ECHOES THROUGH THE CONTROL ROOM...
PRIMANDS! YOUR PLANET HAS BEEN CHOSEN FOR A GREAT HONOUR! I, RAM, HAVE DECIDED TO USE YOUR HOMEWORLD TO ENSURE THE FUTURE SAFETY OF THE ENTIRE UNIVERSE!
WE WILL NEED TO MAKE ONE SLIGHT ADJUSTMENT TO YOUR WORLD... WE MUST TOW IT ACROSS THE LIGHT YEARS OF SPACE TO OUR HOME GALAXY! DON'T PANIC! WE KNOW WHAT WE ARE DOING!
WE CAN'T ALLOW THEM TO TOW AWAY OUR PLANET!
RAM? I'VE NEVER HEARD OF RAM BEFORE!
THEN WE HAD BETTER LAUNCH AN ALL-OUT COUNTER-ATTACK!
SECONDS LATER, FIVE SQUADRONS OF ASTRA-VESSELS HEAD FOR THE RAMSCO...
I'LL DESTROY THE ASTRA-VESSELS FOR RAM! WITH PRIMUS GONE I WILL RULE TRIAK!
SKELETOR HAS DECIDED THAT HE WOULD RATHER RAM WINS THE BATTLE SO HE LAUNCHES AN ATTACK AGAINST THE PRIMANDS...

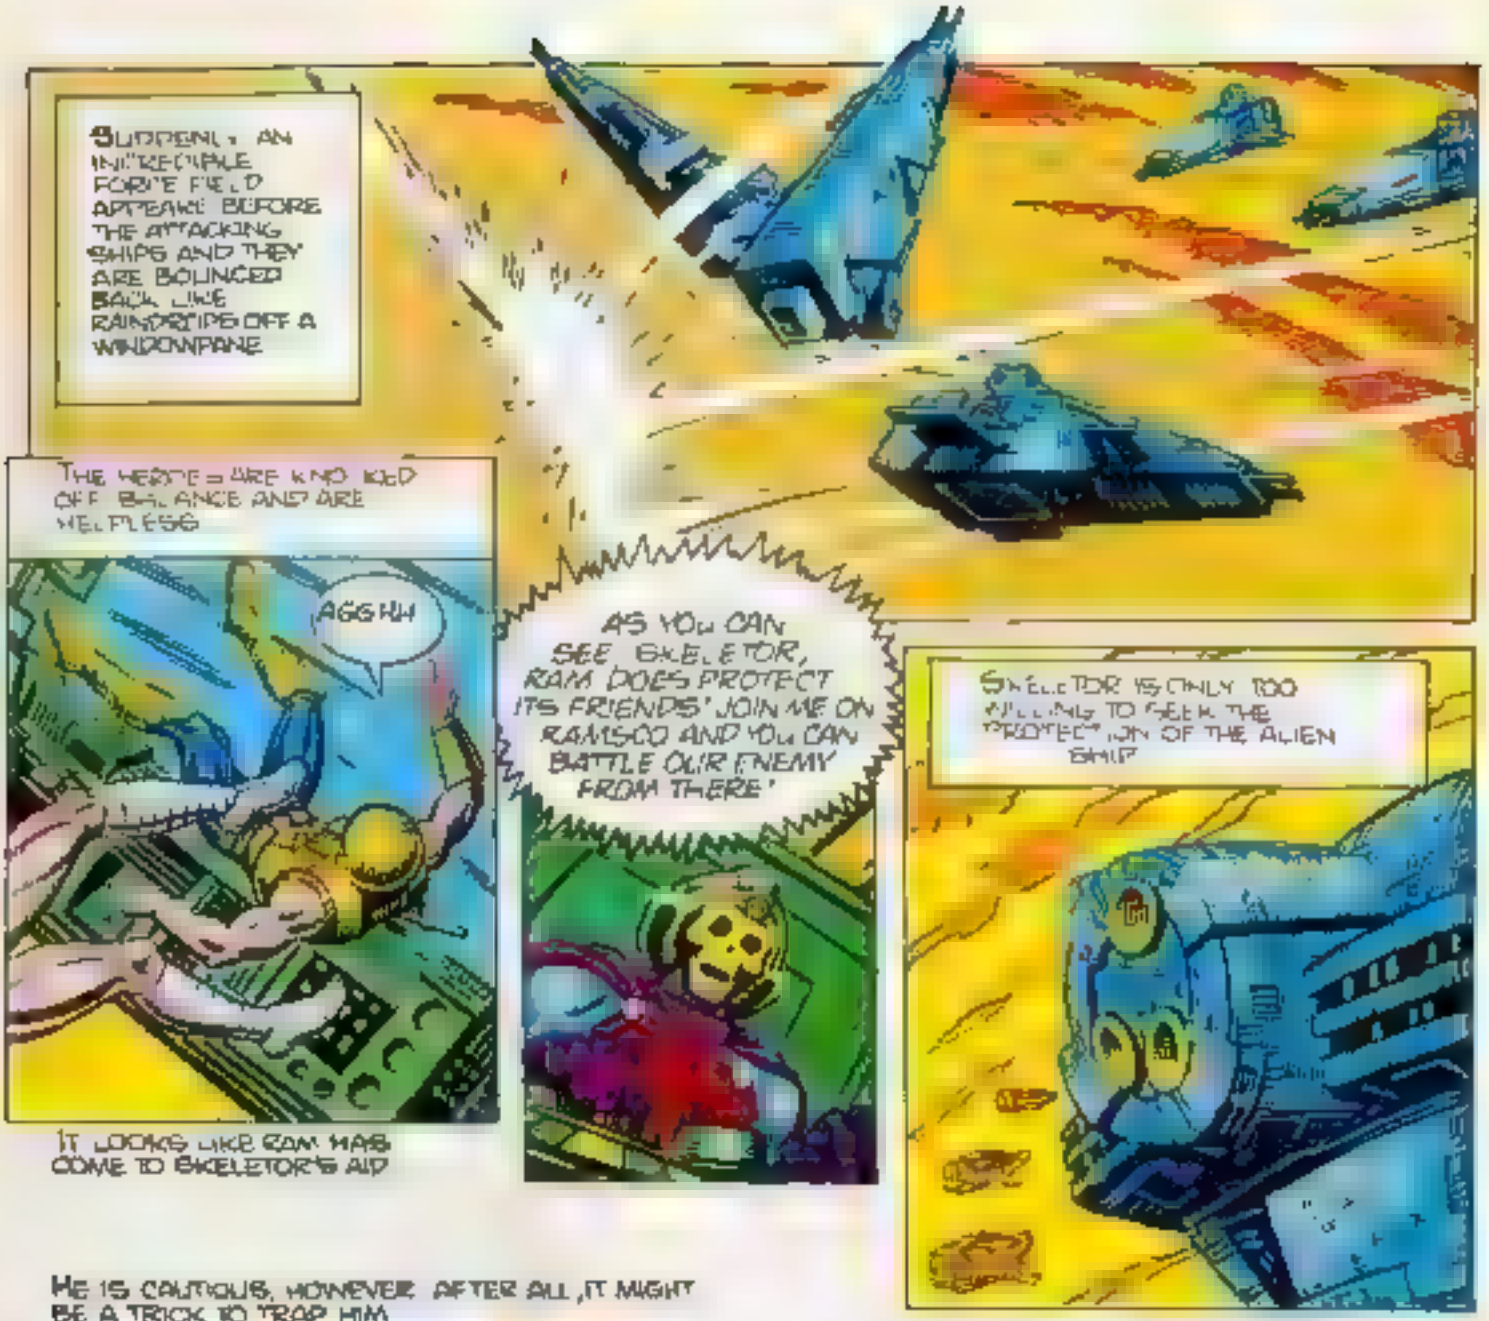
AND SO THE STAGE IS SET FOR PERHAPS THE GREATEST BATTLE THE TRI-PA SYSTEM WILL EVER WITNESS! A THREE SIDED FIGHT BETWEEN PRIMUS, SKELETOR AND RAM!
A BATTLE TO PREVENT AN ENTIRE WORLD BEING TOWED AWAY!
HE-MAN HAS ALREADY LOST A WORLD AND HE HAS NO INTENTION OF LOSING A SECOND 'HOME'...
IF SKELETOR IS TO HELP RAM, HE-MAN DECIDES HE MUST BE DEALT A HEAVY BLOW! THE TYRANT MUST LEARN A LESSON!

SKELETOR HAS RARELY FELT SO CONFIDENT ABOUT A BATTLE'S OUTCOME

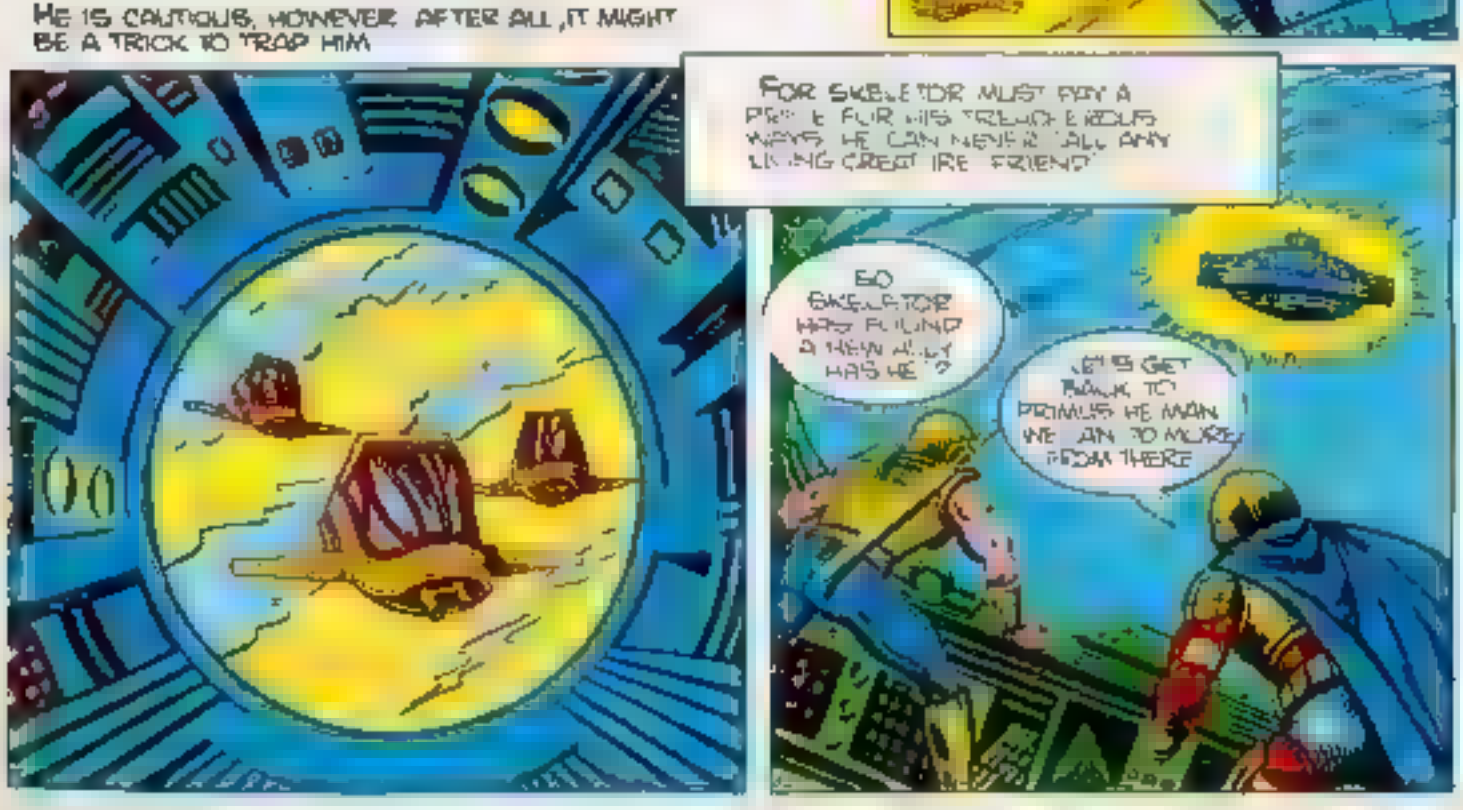
AND SO THE AERIAL BATTLE BEGINS

BUT IT LOOKS LIKE THAT IS EXACTLY WHAT SKELETOR WILL HAVE TO DO





SUDDENLY, AN INVISIBLE FORCE FIELD APPEARS BEFORE THE ATTACKING SHIPS AND THEY ARE BOUNCED BACK LIKE RAINDROPS OFF A WINDOWPANE
THE HEROES ARE KNOCKED OFF BALANCE AND ARE HELPLESS
AGGHH
AS YOU CAN SEE SKELETOR, RAM DOES PROTECT ITS FRIENDS! JOIN ME ON RAMSOO AND YOU CAN BATTLE OUR ENEMY FROM THERE!
SKELETOR IS ONLY TOO WILLING TO SEEK THE "PROTECTION" OF THE ALIEN SHIP
IT LOOKS LIKE RAM HAS COME TO SKELETOR'S AID



HE IS CAUTIOUS, HOWEVER AFTER ALL, IT MIGHT BE A TRICK TO TRAP HIM
FOR SKELETOR MUST PAY A PRICE FOR HIS TREACHEROUS WAYS. HE CAN NEVER CALL ANY LIVING CREATURE FRIEND
SO SKELETOR HAS FOUND A NEW ALLY HAS HE?
LET'S GET BACK TO PRIMUS WE HAVE TO MOVE FROM HERE

HE-MAN AND HIS WARRIOR FRIENDS MAKE SURE THAT THE REMAINING PLANET DEFENCE SYSTEMS ARE WORKING AND PREPARE FOR WHAT MUST BE DONE TO SAVE THEIR WORLD.
FORGET YOUR STUPID PLANS, PRIMANDS I AM NOW THE NEW AND ALL POWERFUL LEADER OF THE TRIAX STAR SYSTEM! HA HA HA
SEND HE-MAN TO THE RAMBCO IMMEDIATELY! I NEED TO HAVE.. ER . 'WORDS' WITH HIM!
INSTEAD OF WAITING HERE WHY DON'T WE ATTACK THEM?
I SUPPOSE WE COULD SURPRISE THEM
WHAT DOES THAT DEMON WANT NOW?
ONLY AN INCREDIBLE INTELLIGENCE COULD BUILD SUCH A SHIP
HE-MAN ZOOMS INTO ONE OF THE MANY ENTRY PORTALS ON THE HULL OF THE GIGANTIC ALIEN SHIP.
ONCE INSIDE HE-MAN COMES FACE TO FACE WITH HIS BLACK HEARTED FOE
SO GLAD YOU DECIDED TO COME HE-MAN I WANT TO MAKE YOU A RATHER SPECIAL OFFER ONE WHICH YOU WOULD BE A FOOL NOT TO ACCEPT

IT'S A SIMPLE OFFER SURRENDER JON AND BE ONE A SLAVE OF RAM AND MYSELF
IF YOU SAY NO THEN RAM WILL VENT ALL KINDS OF DESTRUCTION ON YOUR FUNNY PLANET
"PLANETQUAKES WILL RIP OPEN THE SURFACE OF YOUR FL NEW WORLD
"GIANT TIDAL WAVES WILL FLOOD YOUR COASTAL CITIES
"H RICANES WILL SWEEP ACROSS THE PLAINS COUNTRYSIDE LEAVING ONLY DESTRUCTION IN THEIR WAKE
"AND FINALLY THE FEW SURVIVING REMANDS HIDING IN YOUR WALLED CITIES WILL BE CRUSHED WHEN THOSE SAME WALLS COME CRASHING DOWN "
